MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Comments on the 2nd Report of the Special Security Committee, Entitled "A Uniform Clearance Program For Individuals Other Than Full-Time Federal Employees Who Require Access to U. S. Classified Information" dated 11 February 1955

1. The comments of the Director of Security cover all of the substantive aspects which this office would have commented on. We concur in his views.

2. It is not made clear in the report by what precise method the recommendations would be implemented. Therefore, it is believed desirable that the Agency make known its position to the extent that any published policy statement, for example, an executive order, should make adequate provision for CIA requirements.
